

DONOR LEAVES

\$1,000

Bronze Leaves for the Donor Tree

In the Reading Pavilion (adjacent to the Library) there is a bronze Donor Tree with bronze leaves. Beneath it is a plaque with the names of organizations that helped with significant donations at the start of the Library Park project. The following inscription commemorates our past and focuses on the future:

*And inside every turning leaf
Is the pattern of an older tree
The shape of our future
The shape of all our history...*

The leaves acknowledge the support of businesses, families, and individuals who have made contributions of \$1,000 that allow the Library Park to grow and flourish with each passing season. The Reading Pavilion with its benches, chairs, and table has become a popular portion of the Park. We invite you to join with those who have purchased a leaf for \$1,000.

To place your order, please complete the form below and return this sheet with your check for \$1,000 payable to the "Norton Library Park Committee", at P.O. Box 383, Norton, MA 02766. You may have up to three lines of writing on a leaf with 13 characters, including spaces, per line. Please call Jane Ellison at 508 285-4661 if you have any questions.
